Information:*

In July, EKiba (Evangelische Landeskirche in Baden) will welcome five pastors from the Kansas-Oklahoma Conference of the United Church of Christ (UCC) – our long-standing partner church. We have been engaged in close cooperation for over 20 years.

At our joint meeting in Heidelberg, the pastors will share stories from their congregations and offer insights into how their faith and social commitment empower them to respond to current challenges such as growing Christian nationalism and authoritarian tendencies.

Meet the delegation in person, or join us via MS Teams! The presentations will be delivered in English, with automated German subtitles displayed. There will be an opportunity for questions and discussion afterward.
